Dear Harold:

I thoroughly enjoyed reading Case Open. You really ripped Posner a new asshole!

Please send me an inscribed copy for my personal library. Let me know how much the book and postage are, and I shall send you a check immediately.

I am still hoping to have a chance to visit with you sometime in the next couple of months when I have an opportunity to drive to D.C. to see my daughter.

With best wishes.

Sincerely,

Cyril
